

FISCAL NOTE

HB 2264 - SB 2213

April 1, 2007

SUMMARY OF BILL: Makes civil penalties assessed by any health related board, committee, or council final and due on the date the order is assessed. Authorizes the health-related boards, committees, and councils to enter into agreements to receive installment payments of such penalties.

ESTIMATED FISCAL IMPACT:

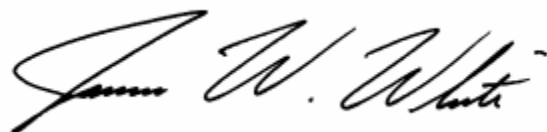

Increase State Expenditures – Not Significant
Increase State Revenues – Not Significant

Assumptions:

- Currently, civil penalties assessed become final 30 days after the date a final order of assessment is served.
- All health related boards, committees, and councils will not incur a significant increase in administrative expenditures for the implementation of collecting payments in installments.
- There will be an increase in revenues for licensed professionals who were incapable of paying the penalties who will now be able to pay through an installment program. Any increase will not be significant.
- All health related boards, by statute, are self-supporting such that revenues equal expenditures.
